Please indicate your agreement to the following terms by signing below and faxing this Permission Form 757-226-4634. The Author agrees with Regent University (“REGENT”) as follows:

- Author grants REGENT exclusive permission to publish this Article and authorize others to publish this Article at any time, in any format now known or hereafter discovered, throughout the world and in perpetuity, with the full understanding that REGENT has the right to edit, format and design the Article in accordance with REGENT’s standards. Author grants to REGENT an exclusive license to reproduce and distribute copies, reprints, or duplications of the Article, including but not limited to, reproduction and distribution by any publisher REGENT might reasonably designate. Author grants to REGENT an exclusive license to authorize others to reproduce and distribute the Article, in whole or in part, in sources including, but not limited to, anthologies, textbooks, journals, bibliographies, or any other published format, for profit or not Author grants to REGENT an exclusive license to authorize others to reproduce and distribute the Article through electronic media, including, but not limited to microform, microfiche, CD-ROM format, internet, on-line and other computer-assisted legal research services, databases, or products.
- For profit, with appropriate attribution to both the Author and REGENT.
- Author understands that no promise has been made by REGENT that it will publish the Article, but it may do so at its sole discretion.
- Author hereby assigns the worldwide copyright of the Article named above in all forms of media, whether now known or hereafter developed, to REGENT. This assignment of copyright to REGENT is done with the understanding that permission from REGENT is not required for Author to reproduce, republish or distribute copies of the Article in whole or in part. Author will ensure that all such copies carry a notice of copyright ownership and reference to the original journal publication.
- Author attests to the fact that this Article is an original creation of Author and that it is not under review at any other publication, except as follows:
_____. Author warrants that the Article has not been previously published, does not contain any unlawful statements, and does not infringe any existing copyright, trademark, right of publicity or privacy, or any other third party right, nor constitute a defamation of any person, entity or product. Author warrants that “proof of

consent” has been obtained for studies of named organizations and people. Author also warrants that Author has obtained the necessary permission from the copyright holder/s to reproduce in the Article, in all media, in all countries, and transmit via all reputable third parties, any materials including tables, diagrams or photographs not owned by Author. (Please attach any permission documents.)

- Author understands that Author will not be compensated financially for the publication of the Article.
- Author understands that the publication in which this Article is published will be copyrighted by REGENT.
