

Master of Fine Arts Degree

Producing for Cinema-Television Major

Minimum of 60 credit hours in three years (with a full-time schedule). This program offers some courses online.

Program Description:

The program is designed to inspire Christian producers to a higher level of professionalism and artistry. As a leader, the producer is specifically positioned to affect the tone and quality of media. As such, the producing major gains extensive and intensive study into leadership, as well as gaining professional level study in production and new media.
