CLINICAL & CONSULTING WORK

The Center for Mental Health at the Reading Hospital, Pre-Doctoral Psychology Intern

APA Accreditation

West Reading, PA

August 2001 to August 2002

Supervisor: John MacDonnell, Ph.D.

Duties: Participated in three clinical rotations, each of four month's duration. These rotations included Inpatient (40-bed adult and adolescent psychiatric unit), Partial Hospitalization, and Outpatient Services. Provided wide array of psychotherapeutic services to adults, adolescents, children, and families, which included individual and group therapy, psychological assessment, and consultation. Conducted forensic and neuropsychological evaluations. Functioned as professional member of interdisciplinary treatment team for psychological services. Collaborated with other members of hospital staff and referring agencies.

Forest Human Services Center, Psychological Trainee

Springfield, MO

September 1999 to June 2001

Supervisor: Mark Skrade, Psy.D., Frances Parks, Ph.D. & Douglas Carpenter, Psy.D.

Duties: Provided individual, family, marital, and group psychotherapy to a wide variety of clients, with an emphasis on community members with minimal social and economic resources. Administered and interpreted psychodiagnostic tests and wrote integrative reports to assist in case conceptualization, individual education plans, and probation and parole evaluations. Performed intake services for new patients. Developed and implemented treatment plans. Participated in weekly individual and group supervision with licensed psychologists.

Forest Human Services Center, "Pastoral Care Series" Program Developer

Springfield, MO

May 2000 to November 2000

Supervisor: Rod Cannedy, Ph.D. & Joseph Pulleyking, M.T.S, Psy.D.

Duties: Developed and organized a number of workshops to educate and train clergy in the helping profession, as well as provided them with continuing education units. Workshops included Pastoral Care and Depression, How to Effectively Manage Stress, and How to Help Troubled Families: An Introduction to Systems Thinking.
