Biblical integration (BI) is a critical component of effective Christian education. Our study hopes to identify methods of Biblical integration in order to increase teacher confidence and ability. A number of factors affecting a teacher's confidence regarding BI are presented below. Please rate how certain you are that you can successfully integrate the Bible into the academic content of your courses in light of each of the factors below:

*Rate your degree of confidence by recording a number from 0 to 100 using the scale given below:*

0      10      20      30      40      50      60      70      80      90      100

*Cannot do at all*

*Moderately can do*

*Highly certain can do*
