- b. Class meetings – when we come back, class senators should have a meeting with their respective class, as a way to unify their class, to gather information on events and to become more involved with class.**
- c. Jurisdictional matters – Will have a meeting with Dean Gantt and COGS next semester. Not all of SBA will get to be there but some representatives from each class should be. SBA will take the lead on things that pertain directly to the law school.**
- IV. Executive Update by Vice President**
- V. Executive Update by Treasurer**
- a. COGS donation for Barrister's Ball and their conditions – last year we requested money from them, this year we asked for more. They granted request but in exchange they want a seat on each committee or even set in on the meetings. In our bylaws no one outside of SBA can sit in on SBA committees or have a seat on the committee.**
- i. Motion to discuss – second, ayes – Sandra – would like COGS not to be involved b/c their names would be on things like last year and they want to have a say in how the event is ran. Ryan – COGS likes money to go to what they want it to go to and make their money conditioned on that. Ann – they must account for their money so that's probably their reasoning. They could help with little things like tickets. Brandon – Can we just go back to them and ask for the full amount and them not participate? Brent – Why don't we let them participate and let them do all the hard work if they want their names on it? Emily – they cannot have their name on it and cannot sit in on committee. They could come and collect tickets at Barristers Ball then that's fine.**
- ii. Motion to go back to COGS and request money for Barrister's Ball and Grad Banquet in exchange for which COGS can participate in a volunteer capacity**

at the specific event but per the SBA Senate bylaws COGS cannot participate in committee meetings., second, ayes 13, 3 nays, Ryan, Aaron, and Sandra.
