      - a. Emily – No – we are taking COGS money because the students pay a lot of money to COGS and we want to see that money go back to the students in lowering ticket prices.

- i. Sandra – yes but Barbri may be able to give us just as much if not more and that would make ticket prices even lower for students. In addition, a law organization would be sponsoring a law event instead of COGS, which seems to sponsor everything.
  - b. Emily – Says we are under COGS as SBA and that’s the way the school wants it. So we are taking COGS money regardless.
  - c. Ryan – don’t see a problem. We need to step back and look at this for what it is. We are being offered money, we should take it.
  - d. Emily – Barbri will want their name on everything, and we will have to change everything for that.
