

Prayer Opportunities

Prayer is essential to the move on God in any place. Campus Ministries wants to encourage prayer in any form around campus. We desire to encourage and enable prayer by networking a variety of prayer efforts among students, faculty, and staff.

Message from Pat Robertson Concerning Prayer:

“Prayer is the heart of the Christian life. Through prayer, the Lord has provided an opportunity for us to have a relationship with Him and a way for us to share our burdens and concerns with each other. As an institution preparing persons to be Christian leaders, we are committed to being a community of prayer.

In John 17:20-23, Jesus’ last prayer before His crucifixion, He prayed that we would be as one. I believe that when we join our hearts in prayer we share a oneness that glorifies the Lord and forms a mighty force in advancing the Kingdom of God here on earth. As we seek the Lord together, we will build up pillars of prayer so that Regent is built on a strong foundation. Let us look expectantly for the Lord to move.”
