Yard Sales/Garage Sales

“Yard sales” or “garage sales” are popular in the summer, fall, and spring. These sales are conducted in one’s yard or garage and are sometimes organized by a whole neighborhood, especially during weekends. Yard/garage sales can also be great places to shop for used furniture and other items! Watch for sale signs in the yards.

Hotel Stay

Students who are new to Regent and have accepted an unfurnished apartment are strongly advised to reserve a hotel stay for at least their first week in Virginia Beach. This will allow students to sleep in a warm/comfortable bed until they are able to have basic furniture items delivered to their apartment.
