Maintaining Lawful F-1 Student Immigration Status for Short-Term On-Campus Residencies

All international students in F-1 immigration status are obligated to meet certain requirements established by the United States Citizenship and Immigration Services (USCIS) in order to maintain their lawful immigration status during their stay in the United States (U.S.). It is the sole responsibility of the student to maintain his/her lawful F-1 status. When a student completes section 11 of the I-20, the student is certifying that he/she has read and understood all of the terms and conditions of the F-1 status and agrees to abide by them. Students who violate their status (even by accident) are considered to be “out-of-status” and will not be eligible for any USCIS benefits, including employment. A violation of status may also result in deportation, as explained on the I-20. Under certain circumstances, students who fall out-of-status may be able to apply for a reinstatement to lawful status and should visit the Office of International Student Services (OISS) in Room 201 of the Student Center as soon as possible. Students who violate their immigration status by working in the U.S. without proper authorization will not be eligible for a reinstatement. These students will need to depart the U.S. and reenter with a new I-20 (and possibly a new F-1 visa) before they can continue their enrollment at Regent. Students who remain in the U.S. while out of lawful immigration status could be barred from reentering the U.S. for up to ten years.

Students who fail to comply with the requirements listed below will be out-of-status.
In order to maintain lawful F-1 immigration status, it is YOUR responsibility to do the following:

1. **KEEP your passport valid at all times.** For travel purposes, passports must be valid for 6 months into the future. Passports may be revalidated or reissued in the U.S. at the embassy of the country that issued your passport. Students should begin to apply for a new passport about 7-8 months PRIOR to the date of expiration since it must be valid at least 6 months into the future.

2. **KEEP your I-20 valid at all times & APPLY for a new I-20 WITHIN 1 WEEK after any changes.** Students should check sections 4, 5, and 8 of the I-20 on a regular basis and notify the OISS immediately about any changes in your major, degree level (Phd to MS, etc.), or financial support. Students should also notify the OISS about any name changes, errors, or misspellings on the I-20. Failure to maintain a valid and accurate I-20 can result in serious immigration problems for you, and a student should never present an incorrect/outdated I-20 to a government official for travel or visa application purposes.

3. **ATTEND the school you are authorized to attend as noted on your I-20 (section 2) AND as noted on your visa (for initial attendance only).** A student who attends a school without authorization on an I-20, or without following proper USCIS transfer procedures, is considered to be out-of-status and should consult with the OISS immediately. Also, a student who does not attend the school listed on his/her visa for initial entry into the U.S. is also considered to be out-of-status and should consult with the OISS immediately.

4. **EXPEND Full-Time Participation in the Residency classes/workshops/activities and NOTIFY the OISS if you are unable to attend/participate for any reason.**

    (--Over--)
5. REPORT a change of address to the OISS & the Registrar’s Office WITHIN 5 DAYS of the change. The University will report the change to the U.S. government through the SEVIS system.

► During web-registration periods at the start of each term, all students are required to confirm or enter their correct addresses in Genisys during the web-registration process before they can register for classes. The U.S. address that you enter/confirm in Genisys during web-registration is the address that Regent will report to the government in SEVIS. It is your important responsibility to make sure your U.S. address is listed correctly in Genisys during web-registration periods.

► If your address changes during the middle of the semester/outside of the web-registration periods, you must report the new address to two separate offices WITHIN 5 DAYS of the change: the OISS AND the Registrar’s Office. Students can still use Genisys to report the new address to the Registrar’s Office outside of web-registration periods, and should use the “Information Change Form” on the OISS website to report the change to the Office of International Student Services.

6. LEAVE the United States WITHIN 60 DAYS after the authorized program completion date, which is listed in Section 5 of your I-20. Students who do not complete their programs are not entitled to the 60 day grace period and should consult with the OISS and prepare for immediate departure from the U.S.

RETURNING FOR YOUR NEXT RESIDENCY: You must submit a New Financial Certification Form and Request for a New I-20 to the International Admissions Coordinator in Enrollment Support Services (ESS) at least 4 months prior to your next residency date. Phone: (1+) 757-352-4936 / Fax: (1+) 757-352-4381.

► NOTE: Items 7-13 pertain mostly to long-term on-campus degree students

7. DO NOT work ON-campus more than 20 hours per week—in total—while school is in session/during the official University terms (this includes the summer term for some academic programs that require summer enrollment). Full-time on-campus employment of more than 20 hours per week total is only permitted during vacation periods, such as Fall Break and Spring Break, and as long as the student was enrolled full-time during the previous semester and will be enrolled full-time the following semester. Students are not permitted to work more than 20 hours per week until after the official University “Term End” date, which is reported to the government through SEVIS and is listed in the official University Calendar. The 20 hour limit includes hours worked as a Teaching, Research, or Graduate Assistant as well as any work done as an Adjunct Faculty member, or for any offices on-campus. One cannot work 18 hours one week and 22 hours the next week. Some academic programs require summer enrollment, so those students cannot work more than 20 hours/week in the summer term. CBN/Operation Blessing, etc. are not a part of Regent University and are NOT considered to be on-campus employment. For students who have graduated/completed all degree requirements, employment at Regent is NOT permitted under F-1 status without a valid Employment Authorization Document (EAD) for post-completion OPT.

8. DO NOT work OFF-campus without PRIOR WRITTEN Authorization from the OISS on your I-20 or without an Employment Authorization Document (EAD) from USCIS; & REFRAIN from any type of self-employment. Contact the OISS for any questions or uncertainties you might have about what constitutes off-campus employment. CBN/Operation Blessing, etc. are not a part of Regent University and are considered to be off-campus employment.
9. Notify the OISS if you plan to withdraw, transfer, take a leave of absence, or cease your enrollment at Regent for any reason at all. All students must notify the OISS before they terminate their studies at the University (without completing the degree) and will have a 15-day grace period to depart the U.S. Students who do not notify the OISS before terminating their studies will have no grace period and are expected to depart the U.S. immediately.

10. Notify the OISS within 5 days if you will complete all of your degree requirements before the expiration on your I-20 (in section 5).

11. Apply for an F-1/I-20 program extension at least 30 days before the expiration date in section 5 of your current I-20 if you cannot complete your degree by that date. F-1/I-20 program extensions can only be granted for certain reasons, so you must consult with the OISS—several months in advance—for proper planning to see if you will qualify for the extension.

12. Notify the OISS within 5 days if your immigration status changes from F-1 to any other status (H-1B, permanent resident, etc.), or if you use the benefit of another immigration status (like travel on advanced parole, employment with an EAD for P.R. status, etc.).

13. Transfer Students: Notify the OISS/International Student Advisor at the school you will be leaving, and submit a “Request to Transfer-Out”; Notify the International Student Advisor at the school you will be attending; Obtain an I-20 from the new school; and report to the International Student Advisor/OISS at the new school within 15 days of beginning attendance there. (Special Notes: One’s F-1 immigration record must be transferred in SEVIS from the old school to the new school within 60 days after your degree/OPT completion. Students who are transferring from post-completion OPT into a new degree program must note that their lawful OPT employment authorization ends when the student transfers to a new school or begins studies at another educational level.) Failure to follow these procedures will result in the loss of one’s lawful F-1 status and ability to transfer schools from within the U.S.

Special Notes:

► OISS Website: Additional immigration information and request/notification forms (for an I-20/DS-2019 Travel Signature, Request for a New I-20, Notification of Degree Completion, etc.) are available on the OISS website at: www.regent.edu/oiss

► SEVIS/Government Reporting: All U.S. institutions that sponsor F-1 students are required to report various types of F-1 student information to the USCIS electronically through a system called SEVIS (Student & Exchange Visitor Information System). The information includes, but is not limited to: current address and address changes, violations of status, failure to enroll/participate, last date of attendance, unauthorized drop below full-time status, unauthorized employment, etc. Contact the OISS for more details.

► Immigration/Employment/Travel Related Questions: If you have any questions or uncertainties about your responsibilities for maintaining your lawful F-1 status, the SEVIS reporting requirements; restrictions on working in the U.S.; U.S. reentry procedures; or if you think you may need to apply for a reinstatement to lawful status; please visit the OISS (Student Center, Room 201) as soon as possible. No other offices on campus are authorized to assist you with these types of questions.

(L.J., 5/1/12)
