

Elementary, Middle, or High School Teachers

Cal/West Educators Placement – now recruiting dynamic elementary, middle and high school teachers who have had previous experience working with children and youth, for 2009-2010 positions. Two to five years of teacher-related experience is preferred, but new teachers will be considered.

Cal/West Educators is an experienced company which specializes in the placement of qualified K-12 teachers in independent and private schools throughout California and other western states.
