

3rd Job Description

Title: CGI Animator

Skills: web, CGI

Date: 12-20-2007

Location: Wayne County, IL

Area code: 312

Tax term: CON_W2

Pay rate: 50-60k

Position ID: D-140-mt-31865-Aug

Dice ID: aquebatch

Job description:

We are searching for a talented CGI artist. This is a client-facing, full time, permanent position.

Skills in **3D** Studio Max or Maya, including camera moves, lighting and texturing will be key in the development of animations, movies and web-based features.

This is a professional-level position, and your work will be seen world-wide.

Client Description:

This small studio is within a larger agency. The work is beyond comparison; no studio is producing better CGI.

Other Requirements:

- . Proven experience and ability to demonstrate your expertise in **3D animation** through your reel is essential
- . Ability to meet with clients, take direction, and work under client supervision
- . 4-year degree in **animation**, CGI or related field is required.
