Please read carefully all terms and conditions in the Student Housing Agreement before signing this binding Agreement Acceptance Form.

It is the student's responsibility to review his or her housing needs and financial resources prior to signing this Agreement Acceptance Form. All obligations associated with this Agreement Acceptance Form are binding. Charges will be placed on the student's account, and all amounts due hereunder shall constitute student loans. Any payments received on that account (including financial aid, scholarship, other), will be applied to outstanding charges prior to being refunded to the student.

After signing this Agreement Acceptance Form, students may only cancel this agreement and all related financial obligations after an approval of a submitted Request To Terminate Student Housing Agreement Form. Approvals will not generally be granted but are made at the sole discretion of Regent University and are contingent upon each individual's documented reasons for request to cancel. Should a student housing agreement cancellation be approved, semester student housing fee refunds will be credited to University student accounts according to the following timeline:

Student Housing Agreement Cancellation & Semester Housing Fee Refund Policy:

1st week of classes 100% 2nd week of classes 50% After 3rd week of classes No Refund

I understand this is a binding agreement for on-campus student housing at Regent University by which the University agrees to license me use of University facilities. I understand this is NOT a lease agreement. I have read and, by signing below, I accept and agree to this Agreement Acceptance Form, the Housing Agreement, and the semester student housing fees noted on the housing website as well as any rules, regulations and procedures governing on-campus student housing as published in the Student Handbook, Residence Life Handbook, and other official Regent University publications. I have read each and understand I will be legally bound to this Agreement Acceptance Form. By signing, I understand this Agreement Acceptance Form may not be terminated/cancelled without approval of the Office of Residence Life. If a student housing assignment is abandoned without approval (or without acknowledgment in writing of cancellation), the obligation to pay the student housing fee according to the Agreement Acceptance Form will continue. I understand that should I move out of the residence hall it does not terminate the Agreement or Agreement Acceptance Form. In the event of default of payment, the undersigned agrees to pay reasonable attorney's fees, legal expenses, and lawful collection costs in addition to all other sums due hereunder. If the student is under the age of 18, the parent or guardian signing below shall be jointly and severally liable with the student for all obligations hereunder.
