Making an Eternal Investment

Helping a congregation fund their college expenses is a worthwhile investment. A church or ministry contribution helps produce Christian leaders to change the world! In an effort to promote wise financial stewardship, Regent University established the Church Matching Grant Program. To date, more than 200 churches from various denominations have partnered with us.

Regent University matches recognized Church/Ministry contributions dollar-for-dollar up to specified limits. Additionally, enrollment status will affect Church Match eligibility. Note the following:

Program Limitations

Matching awards are subject to the availability of program funds. Additionally, matched university funds may be applied toward tuition expenses only. Church match funds, including the church contribution, may reduce other university-funded financial aid and/or other sources of financial aid based on pre-determined awarding rules or regulations.
