ASSIGNMENT PERIOD SCHEDULES: SESSION T

Use the period dates below in conjunction with course documents in Canvas to see when assignments are due and when dialogues take place. All centers, schools and divisions at Regent University use a common academic calendar. Since SBL programs operate on a trimester model (Fall, Spring, Summer), the school will follow the University calendar and not have course activity during all weeks. If you have a question, please ask your professor. Coursework is scheduled over a seven-day week to provide structure for students residing on six continents. The weekly schedule begins on Monday at 12:01 a.m. USA Eastern Time and ends on Sunday at 11:59 p.m. USA Eastern Time. The program neither suggests nor encourages students to work seven days per week. Rather, in respect for the various traditions of honoring a given day during the week, all seven days are included in the schedule so students may elect which days they will participate.
