

School of Psychology & Counseling

## **PAID FIELD PLACEMENT SITE POLICY**

A student may choose a Practicum or Internship site that pays students/interns as a part of their standard policy. However, opportunities such as this are few and far between for M.A. in Counseling students.

If an offer such as this is made, the student must request the Paid Practicum Approval Form and/or the Paid Internship Approval Form from the Field Placement Liaison. This form must be completed and contain a signature (either physical or electronic) from the proposed Site Supervisor before being submitted to the FPL for processing.

**This request must be approved before obtaining a signed FieldWork Contract and beginning the Practicum/Internship. The Counseling Clinical Director makes the final decision as to the appropriateness of the request.**
