SUGGESTED COURSE SEQUENCE - 3 YEAR PLAN

To ensure students remain on track to graduate, we encourage all students to communicate with their academic advising team at least once each semester. While advisors are available to help students in planning, it is ultimately the student's responsibility to meet the requirements for the degree according to the catalog of the year entered and to meet appropriate state certification or licensure requirements, if applicable. For graduation clearance, approved degree requirements will be audited by the registrar's office. The Office of Advising can be contacted at advising@regent.edu.
