Enclosed you will find a flyer advertising the twelfth annual CT Fairfield County Recruitment Fair which will be held on Saturday March 27th at the Roger Ludlowe Middle School, in Fairfield, Connecticut. It has been well received by all who have attended in the past. We are extending an invitation to your graduating students and alumni who might be interested in teaching in a “lighthouse school district”, located on the “gold coast” of Connecticut. Officials from many of the Fairfield County school systems will be available all day to meet with the various candidates and to conduct interviews.

This is an opportunity for interested students to enjoy a “one stop shopping approach”. Doors will open at 8 AM. The program will commence at 8:45 AM in the gymnasium, and run throughout the day until 3 PM. No pre-registration is necessary (but is advisable and available on our web site). It is absolutely free for the candidates. The cafeteria will be serving all day starting at 8:00 AM.

Secondary and specialty certified candidates report first to the cafeteria at 8:00 am where there is an orientation. Elementary Certified Candidates (K-6) congregate first in the auditorium at 10:00 am for a special program. All participants will receive at that time a recruitment folder with information on each participating district. The folder also serves to hold additional materials collected throughout the day. Displays by each school district are set up in the two gymnasiums. Candidates are advised to bring sufficient resumes (20), letters of recommendations and verification of certification status. Candidates are advised to check the web site (www.ces.k12.ct.us) periodically for information and links to web sites of participating school districts for their latest staffing needs.

The New York New Haven Railroad stops in Fairfield each hour. The school site is only a quarter of a mile walk north from the station. Travel time is 25 minutes by train from New Haven (Connecticut Turnpike; US 95: exit 22); one hour and 10 minutes from NYC (Connecticut Turnpike; US 95: exit 21). There is ample parking in front of the school, in the parking lot of the adjacent high school, at a second middle school just 5 minutes away and on the north side of the train station, just south of Roger Ludlowe Middle School; just 7 walking minutes away.

Please post the bulletin and flier in a prominent place and link our web site off of your Career Placement site. Feel free to duplicate the included flier with this information copied on the reverse side and distribute to the prospective candidates.

We wish them well in their job search.
