Eligibility and Guidelines:

- Eligible candidates are employees, including spouse and dependents. A dependent qualifies if they meet the definition of the IRS guidelines. If the student does not remain an eligible employee of CCCU member schools for at least one-half of each semester for which he/she receives this benefit, the tuition scholarship may be forfeited for the entire semester. At the time of forfeiture, the tuition scholarship may be reversed and become a balance due on the student account.
- This scholarship form does not guarantee admission to Regent University. Candidates are to complete the specific admissions criteria of their particular school of interest.
- Accepted students must comply with all rules, regulations, policies and standards of Regent University.
- Enrollment capacity may be limited. Accepted students are required to contact the specific school of interest to verify space and official starting dates.
- Acceptance of this Tuition Grant precludes eligibility for most other forms of financial aid from Regent University. However, an otherwise eligible applicant may apply for federal and/or state financial aid in accordance with applicable regulations and guidelines.
