Dear <First> and family,

Congratulations! I am pleased to inform you that you have been selected from a group of highly competitive applicants for the Norwich University Presidential NROTC Preparatory Scholarship. Based on your selection, this scholarship will pay full tuition and fees for one year of NROTC preparatory study. Any additional need-based aid (student loans, federal grants, etc.) may be applied to room and board, as well as any other associated fees.

This preparatory scholarship provides a unique opportunity to develop your abilities, which lead to a commission in the United States Navy. Once you accept this offer, and your eligibility is verified, the Navy will reserve a follow-on four-year Naval ROTC scholarship in your name to Norwich University, and Norwich will provide you with the General I.D. White Scholarship, covering the costs of room and board. To claim the four-year Navy scholarship, you must successfully complete Norwich University's NROTC Preparatory Program. Successful program completion includes NROTC Student Indoctrination in Great Lakes, Illinois; maintaining at least a 2.8 GPA while pursuing a technical major; be in good standing with the NROTC Norwich unit (not on probation, warning or leave of absence status) as well as with the Corps of Cadets; agree to the terms of the NROTC scholarship contract; and receive the Norwich University Professor of Naval Science recommendation.

We are excited to be able to provide you this remarkable opportunity and look forward to your quick acceptance of this scholarship offer. The Navy will also be contacting you with additional requirements and deadlines to conduct your summer NROTC indoctrination training in Great Lakes. We have no doubt you will be successful in this program and we would love to have you join the Norwich Family.

Congratulations,

Tim A. Reardon

Assistant Vice President
