

Welcome to Regent

FROM UNIVERSITY ADVISING

The Regent University Academic Advising Experience

Welcome to the Regent University Family - we are so happy that you have chosen to be a student with us!

University Advising operates with a team mindset so you have multiple points of contact to assist you through your academic journey. As a Regent student, you are assigned to an academic advising team that specializes in your field of study in order to provide you with efficient and quality service. Your advising team can help you with course selection, degree planning, registration, and navigating university resources.

We will consistently touch base with you to help you overcome obstacles, push past struggles, and achieve greatness. Faculty and advisors coordinate often about ways that we can collaborate and help you be successful as you pursue your academic goals. You are a valued part of the Regent family and University Advising is here for you; we are committed to your success!

Explore Your Resources

SMART THINKING

Access this Blackboard tool to chat with a live tutor, receive cover letter and resume help and much more!

CENTER FOR STUDENT HAPPINESS

Develop an action plan, get a greater sense of focus, support, encouragement, and accountability with your personal success coach. Using our labs, you can collaborate with tutors to improve writing and math skills.

UNIVERSITY ADVISING

Connect with your advising team once every semester for assistance with your degree plan, registration, and graduation!

DEGREE WORKS

Evaluate your academic progress. Easily create your degree plan and note your past, present, and future courses that apply to your degree program. Look for DegreeWorks in your MyRegent Portal.

CAREER & TALENT MANAGEMENT

Discover your skills, strengths, gifts, and talents. Access local, national, international internships, cultivate your professional career identity, and much more!
