Dear Candidate:

Thank you for your interest in becoming a Resident Assistant (RA) at Regent University. This application packet includes the RA Recruitment & Selection Process Timeline, RA Application Instructions and RA Job Description. Please read through this packet, familiarize yourself with the information and follow the instructions carefully.

RAs have a unique opportunity to serve the Lord and to positively impact the lives of Regent University residential students. The work can be challenging, but it is also very exciting and rewarding. RAs receive significant leadership training and experience in counseling, conflict resolution, program planning, communication skills and other areas that will benefit them for a lifetime. Additionally, RAs are compensated with a no-cost studio housing assignment in Regent Commons or a no-cost single bedroom apartment in Regent Village (undergrad RAs have two Life Group Leader roommates in the other bedroom & grad RAs have a single roommate in the other bedroom).

We are pleased that you are considering joining the Residence Life team and know you will have a positive experience in the selection process. If you have any questions, please feel free to contact us at 757-352-4652 or studenthousing@regent.edu. You may also speak with any of the current Regent University RAs or pay a visit to the Office of Residence Life to speak with a staff member.

Best,
