Notes:

- A minimum cumulative GPA of 2.0 is required to graduate and maintain good academic standing. Some majors also require a minimum grade in all major courses. Please see Degree Works or the Undergraduate Catalog for these specifics.
- 50% of all major requirements must be taken at Regent University.
- Please reference Degree Works for course pre-requisite information.
- As a general rule of thumb, 100 and 200 level courses should be taken prior to upper level (300 and 400) level courses.
