[2] The School of Business & Leadership programs are committed to the historical foundations of the doctoral degree in which a community of scholars is created among faculty members and student scholars. Regent University mirrors this historical tradition by using course-embedded intensive virtual residencies and a variety of interactive discussion modes that extend beyond topical course discourse.

[3]The following courses must be completed before students will be able to register for LDSL 727 and their second
residency: BUS 600/UNIV LIB, LDSL 710, 718, 720, 722, 728, 732

[4] Prerequisites for LDSL 861 & LDSL 862 are successful completion of all DSL Core Courses.
If a student needs additional time to complete the DSL Project after registering and paying for 60 credit hours, the student then continues to register for LDSL 863 DSL Project (1) for each semester until the project is successfully completed and defended.
