TOTAL HOURS 51+**Program delivered online.****Graduation Requirements**

Complete degree within 7 years.

Maintain a minimum cumulative GPA of 3.00.

Successfully complete and defend dissertation.

Notes

¹ All students are required to take UNIV LIB, but course is waived if student successfully completes BUS 600. Students are registered for BUS 600 instead of UNIV LIB based on their admissions writing sample score.

Students must maintain **continuous enrollment** during the Comprehensive Exams & Dissertation phases of program.

Successfully complete comprehensive examinations before Dissertation can begin.

* LPHD 761, LPHD 762, LPHD 763 and SBL 758 will have the PhD-OL program introduction; thus, it does not matter which of the four required core courses a student takes first, but where feasible, students should take LPHD 761 & LPHD 763 before LPHD 762 and SBL 758

** Research courses?

² Ph.D. students must register for a **minimum of 9 credit hours** of dissertation research. If the student does not complete the dissertation in the required 9 credits, they will enroll for LPHD 865 Dissertation Research (1) each semester until the dissertation is successfully completed and defended.
