About the Institution

Regent University is the nation's academic center for Christian thought and action, with a multitude of on-campus and online programs available worldwide. Our academic standards for both our graduate and undergraduate programs are high, and our programs are rigorous. But what sets Regent apart is our mission to prepare capable men and women to excel both in mind and spirit. Our students, faculty, and administrators share a calling founded on biblical principles to make a significant difference in our communities, cities, nation, and world.

Leadership and Influence

When Dr. M.G. "Pat" Robertson established the university in 1978, he envisioned a high-caliber institution that would attract a leadership team brimming with superior professional experience and extraordinary academic credentials. In just three decades, that vision is being fulfilled. Distinguished faculty and guest lecturers include John Ashcroft, former U.S. Attorney General; Vern Clark, former Chief of Naval Operations; Steve Forbes, president and CEO of Forbes, Inc., and others.

Regent also exposes students to speakers who are front and center on some of the most important issues of our time. Nationally covered events such as Clash of the Titans®, The Ronald Reagan Symposium, and Executive Leadership Series allow students and the greater community to learn firsthand from the major world and national leaders about today's most pressing issues.

The combination of committed leaders and diligent students has produced alumni who occupy strategic positions in a multitude of venues worldwide. They take their call to lead and serve others seriously and excel in their professions, including Virginia's 71st

Governor, Louisiana State Senator, National Middle School Principal of the Year, Hollywood screenwriters, National Milken Educator Award Winner, and Assistant Secretary of Labor.

History and Location

In 1977, CBN University was incorporated as a nonprofit educational institution in Virginia Beach, Virginia. The university was founded for the specific purpose of preparing leaders who would not only succeed in their professions but also advance as Christians equipped to impact their world effectively. In the fall of 1978, 77 students began classes in modest, rented facilities. By October 1989, CBN University had grown from the School of Communication & the Arts to seven professional schools with nearly 800 students. On January 1, 1990, in recognition of this growth, the board of trustees voted to change the name of CBN University to Regent University. The university has grown to over 10,000 students earning associate's, bachelor's, master's, and doctoral degrees at our Virginia Beach campus or via online learning.

Academic Schools: Regent University is comprised of the following schools and colleges: School of Allied Health, College of Arts & Sciences, College of Health & Behavioral Sciences, School of Business & Leadership, School of Communication & the Arts, School of Divinity, School of Education, Robertson School of Government, Honors College, School of Law, School of Nursing, and School of Psychology & Counseling.

Regent's Vision - A Leading Global Christian University

From its inception, Regent University's focus has been on transforming the world. The motto of the school, *Christian Leadership to Change the World*, points to our desire to impact lives across the globe. Regent is accomplishing this vision by consistently delivering excellent, biblically grounded graduate and undergraduate programs both online and on-campus in order to prepare Christian leaders for lives of significant purpose and service. With the university's stature as an institution of excellence ever-increasing, we humbly but expectantly move to an even higher level of academic quality and global influence.

Mission

Regent University serves as a center of Christian thought and action to provide excellent education through a biblical perspective and global context equipping Christian leaders to change the world.

Vision

Our vision is to be the most influential, Christian, transformational university in the world.

Values

These values are central to Regent and have guided it since its founding:

Excellence, Innovation & Integrity

Regent University Facilities

Regent University's Virginia Beach Campus sits on 70 acres of immaculately maintained grounds that complement the Georgian architecture of its buildings which are historic in design yet incorporate the latest educational technology.

- Dedicated in October 1984, the **University Library** allows students to access libraries and databases nationwide via innovative computer technology in the electronic reference center. The third floor of the library building houses the Law Library (established in 1986), the largest, most complete law library in Hampton Roads, with an extensive collection of federal and state materials. The library building also houses Mail Services, Copy Services, and both an auditorium and atrium for special events.

- **Robertson Hall** - Dedicated in the fall of 1994, this four-story building is equipped with audio/video technology and cameras for simultaneous broadcasting. The classrooms are tiered and

seminar-sized. The 132,000-square-foot building houses the School of Law, the Robertson School of Government, Campus Ministries, and offices for the College of Arts & Sciences (CAS), plus a 376-seat moot court/city council chamber, various student organizations, and the offices of the American Center for Law and Justice (ACLJ).

- **Communication Building & Dede Robertson Theatre**, home for the **School of Communication & the Arts**, features a 750-seat theatre, a 200-seat experimental theatre, cinema-television production studio, film sound stage, screening theaters, technical studios, classrooms, teaching labs, and a backlot area outdoor filming.

- Opened in late fall 2002, the two-story **Student Center** houses the offices of Student Services, Registrar, Counseling & Disability Services, Department of Athletics, and Center for Student Happiness. The Regent University Gift Shop, student leadership offices, student lounge, coffee shop (Cafe Moka), and dining facility (the Ordinary) are also here.

- **The Founders Inn and Spa**, located adjacent to the university campus, hosts a number of university events. The luxurious, Georgian-style resort provides vacation and business travelers with an unparalleled level of lodging hospitality. The four-building complex provides 240 guest rooms and suites, spa facilities, swimming pools, formal gardens, meeting rooms and two restaurants. The ballroom, which seats 1,400, has advanced technological capabilities. (Special rates are offered to Regent

University guests.)

- Built in 1979, the **Administration Building** is the original building on campus. The facility houses the offices of the CEO, Executive Vice President of Academic Affairs, Administrative Services, Facilities & Engineering, Alumni Relations & Special Events, Human Resources, Marketing & Public Relations, and the Business Office. It also houses the School of Education and several classrooms.

- **The Shaw Chapel & Divinity Building** are the centerpiece of campus life, providing a unifying venue where people can experience the presence of God. The Shaw Chapel features a 1,000-seat sanctuary for services, convocations, commencements, weddings, and baptisms, as well as for individual reflection and prayer. A smaller prayer room is open around the clock for prayer, Bible studies, and devotions. Connected to the Chapel by a covered walkway, the Divinity Building houses the Welcome Center. From here, prospective students receive admissions guidance, and visitors of all kinds may seek assistance and also enjoy a campus tour. This building is home to admissions and advising teams and provides general classrooms and offices for the School of Divinity.

- **Student Housing**
 - **Regent Village**—Open to graduate students with families, Regent Village consists of more than 200 two- and three-bedroom apartments located less than one mile from campus.
 - **Regent Commons**—Open to undergraduate and graduate students without children. This facility is located on-campus and provides a wide range of apartment styles. This 172,000-square-foot, two-building student housing complex opened in 2007. The Commons is comprised of several types of furnished housing units. Housing costs for these units include furniture, electricity, cable television, Internet service, water/sewage and use of the fitness center.
