Message from the Dean

Jesus' last message to his disciples was a commissioning:

"You will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth" (Acts 1:8).

As a Christian university, Regent University commissions its graduates. This kind of commissioning seldom if ever happens at a secular university. All over the nation graduates will "commence" their careers this spring, and graduates of Regent University will also celebrate a commencement; they will "begin" this new chapter of their lives.

But Regent University also "commissions" her graduates to go forth and fulfill the call of God on their lives.

Some of our graduates are called to the ministry or the mission field or to a parachurch ministry. But many of our graduates are called to be business leaders, doctors, nurses, lawyers, teachers, counselors, artists, and scholars.

We have taught our graduates the best practices of their professions, held to the highest standards of accreditations, and based on Biblical principles.

Graduates, we now pray the breath of God upon your lives. We send you forth—we commission you.

Our last words to you: Receive the power of the Holy Spirit to be his witnesses in the board room, the courtroom, the operating room, or the classroom; indeed, "to the ends of the earth."

Josh McMullen, Ph.D.
Dean, College of Arts & Sciences

The College of Arts & Sciences advances the mission of the university through graduating exceptional students deeply committed to Christ's calling to *cherish character, challenge culture, and serve the world.*

The development and education of such students is founded upon the college's commitment that its curricula and programs be *transformative and holistic* – encompassing all of life – and embrace the *living inheritance* bequeathed to each of us in the gospel, the Church, our university, our nation, and the world.

Jacob Wolf, Ph.D.	Assistant Professor, Government & Criminal Justice

The macette of the College of Arts & Sciences traces its origins to the heavy, armor-breaking club that knights used in the Middle Ages. In the less-militaristic climate of today's academy, the macette, a symbol of faculty and students, announces by its presence that those who follow bear the power of higher learning, which dispels the darkness of ignorance and oppression more certainly and peacefully than any weapon of war. In academic processions it is carried by a designated macette bearer or by the chief, or head, marshal.

Great is Thy Faithfulness

Great is Thy faithfulness, O God my Father;
There is no shadow of turning with Thee;
Thou changest not, Thy compassions, they fail not;
As Thou hast been, Thou forever will be.

[Refrain]

Great is Thy faithfulness!
Great is Thy faithfulness!
Morning by morning new mercies I see.
All I have needed Thy hand hath provided;
Great is Thy faithfulness, Lord, unto me!

Summer and winter and springtime and harvest,
Sun, moon and stars in their courses above
Join with all nature in manifold witness
To Thy great faithfulness, mercy and love.

[Refrain]

Pardon for sin and a peace that endureth,
Thine own dear presence to cheer and to guide;
Strength for today and bright hope for tomorrow,
Blessings all mine, with ten thousand beside!

[Refrain]

In Christ Alone

In Christ alone my hope is found;
He is my light, my strength, my song;
This cornerstone, this solid ground,
Firm through the fiercest drought and storm.
What heights of love, what depths of peace,
When fears are stilled, when strivings cease!
My comforter, my all in all —
Here in the love of Christ I stand.

In Christ alone, Who took on flesh, Fullness of God in helpless babe! This gift of love and righteousness,
Scorned by the ones He came to save.
Till on that cross as Jesus died, The wrath of God was satisfied; For ev'ry sin on Him was laid —
Here in the death of Christ I live.

There in the ground His body lay,
Light of the world by darkness slain;
Then bursting forth in glorious day,
Up from the grave He rose again!
And as He stands in victory,
Sin's curse has lost its grip on me;
For I am His, and He is mine —
Bought with the precious blood of Christ.

No guilt in life, no fear in death —
This is the pow'r of Christ in me;
From life's first cry to final breath,
Jesus commands my destiny.
No pow'r of hell, no scheme of man,
Can ever pluck me from His hand;
Till He returns, or calls me home —
Here in the pow'r of Christ I'll stand.

Regent University History

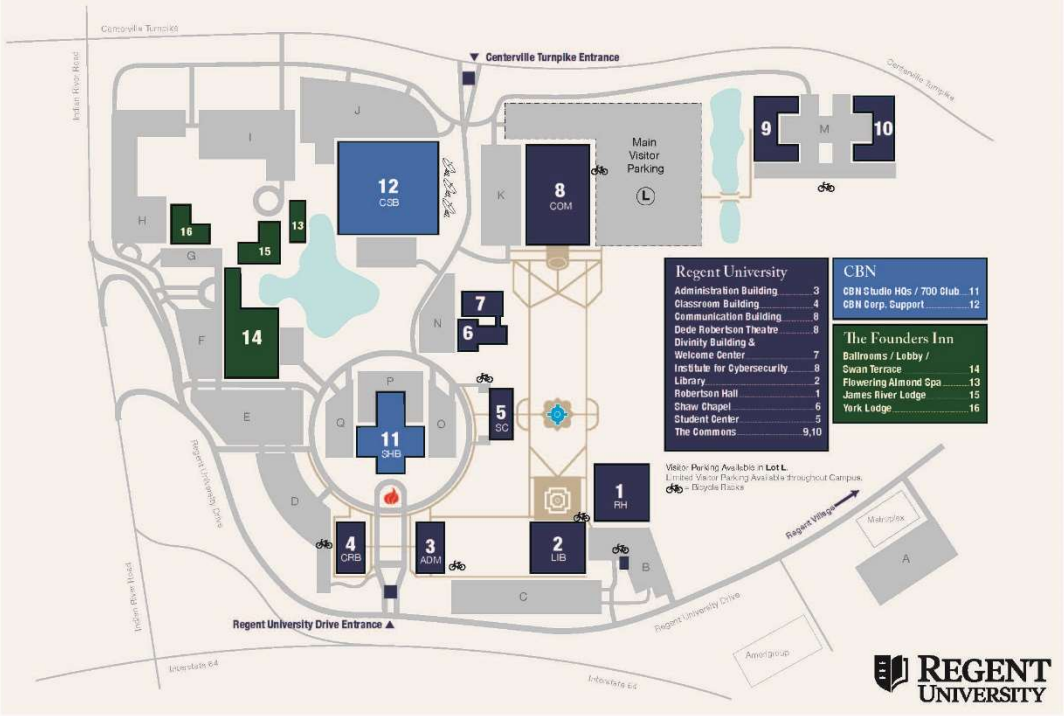

Dr. M.G. “Pat” Robertson, the Christian Broadcasting Network (CBN) founder, had a vision of establishing a graduate-level institution to train Christian leaders to influence the world. Robertson’s vision materialized in 1977: 70 acres of land in Virginia Beach was cleared, and the foundation was poured for the university’s first building. A year later, 77 students began classes in rented facilities nearby. A decade later, enrollment grew to 800 students as word spread of the nation’s first freestanding graduate school dedicated to applying the truth of Scripture to rigorous academic instruction. In 1990, the institution’s name changed from CBN University to Regent University. A “regent” is defined as one who represents a king in his absence; it was selected to advance the unique Christian mission.

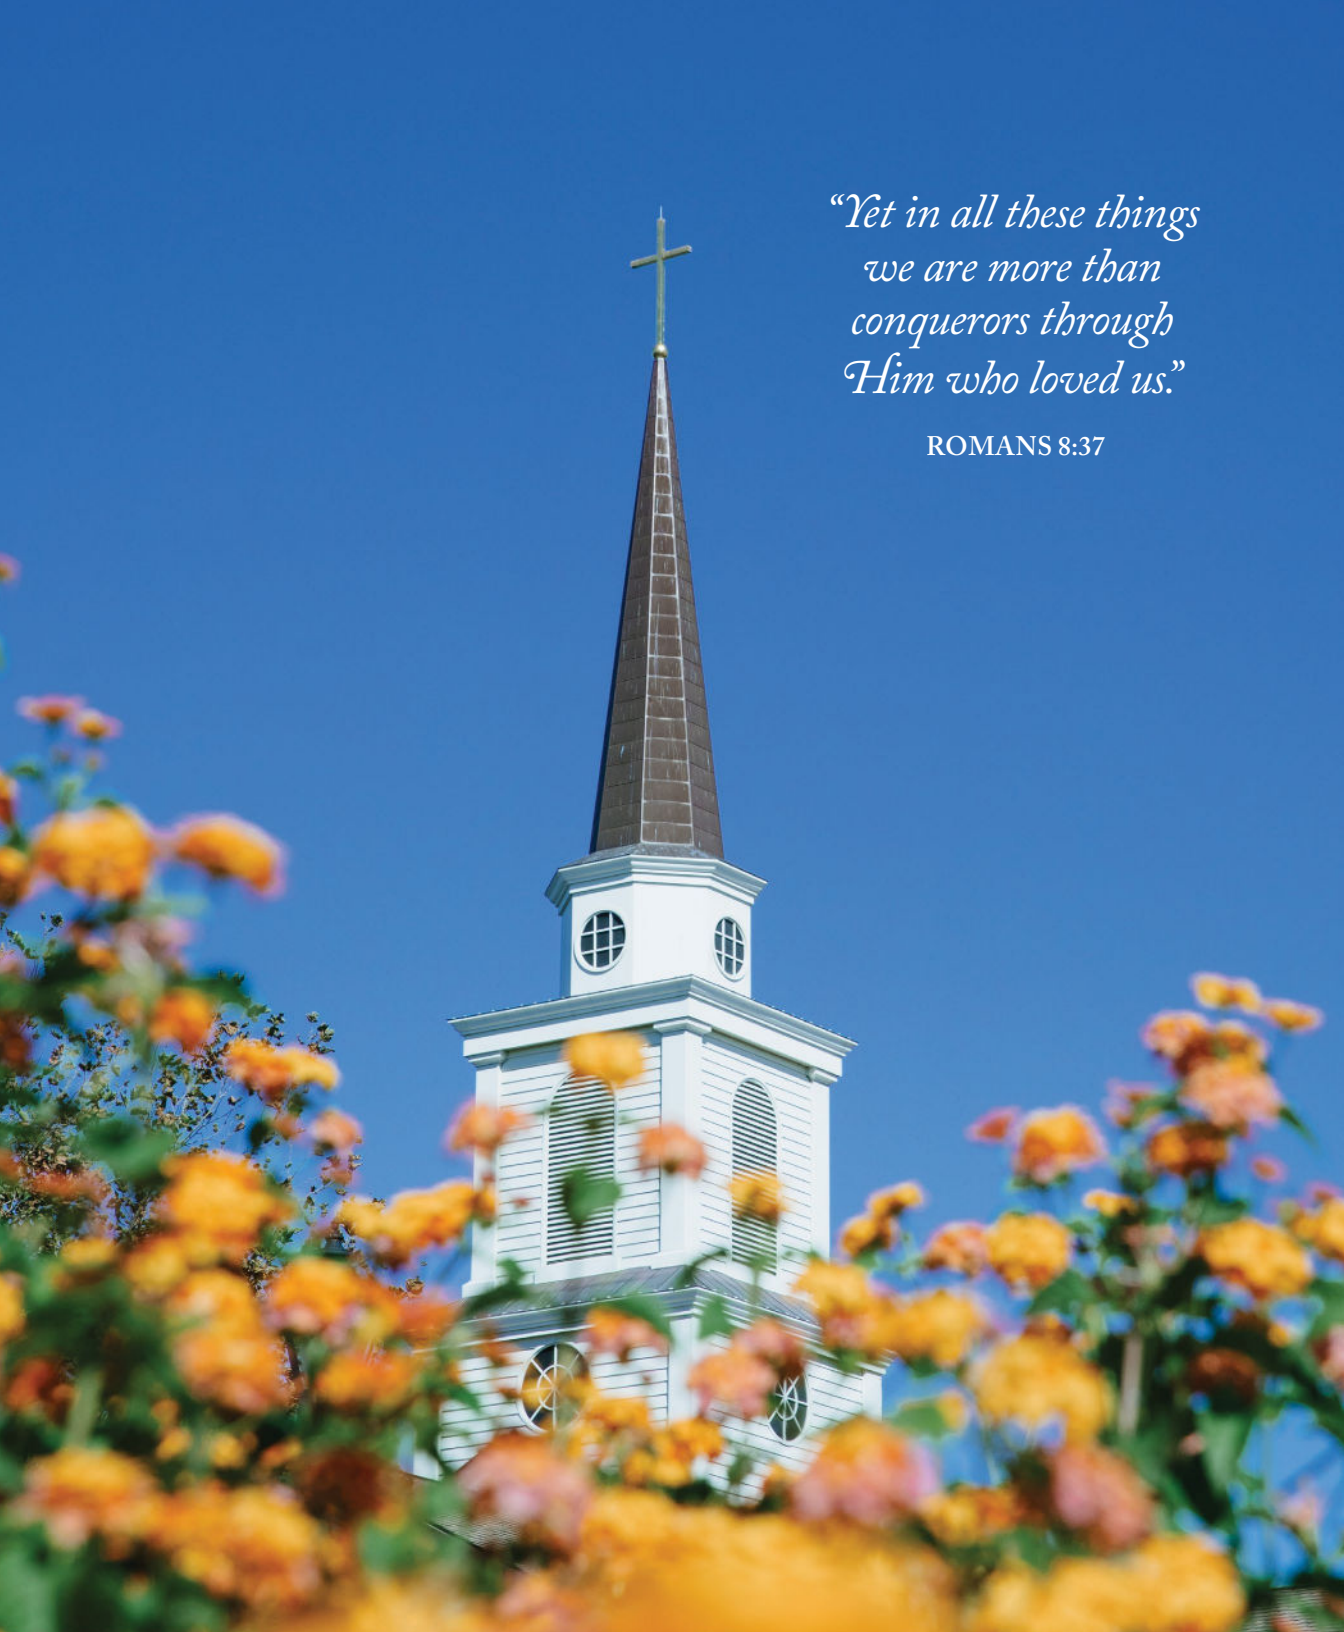

With its roots in traditional on-campus academic programs, Regent expanded into the then-frontier of distance education in 1989 with an MBA degree offered through videotapes, audiotapes and study guides. In 1995, the first online degree (Ph.D. in Communication) was offered, and the School of Leadership Studies was founded as a distance-only graduate education program, becoming a model for online graduate education worldwide. In 2006, the leadership and business schools merged to enhance the university’s impact. In 2000, Regent expanded its focus on developing leaders of character through its undergraduate reach. Today, the College of Arts & Sciences (CAS) offers comprehensive liberal arts and rigorous life science programs globally with distinctive faith-based integration. The college provides associate, bachelor’s and master’s degrees for on-campus and online students, from recent high school graduates to older adults.

Regent University is America’s premier Christian university with more than 11,000 students studying on its beautiful campus and online around the world. The university offers associate, bachelor’s, master’s, and doctoral degrees in more than 150 areas of study including, business, communication and the arts, counseling, cybersecurity, divinity, education, government, law, leadership, nursing, healthcare, and psychology.

Regent University is ranked the #1 Best Accredited Online College in the United States (Study.com, 2020), the #1 Safest College Campus in Virginia (YourLocalSecurity, 2021), and the #1 Best Online Bachelor’s Program in Virginia for ten years in a row (U.S. News & World Report, 2022).
